Welcome...

Escape! Venture off to a quieter spot and discover Sunrise Landing B&B, a Finger Lakes bed and breakfast.

You will find pristine accommodations, nestled peacefully on a wooded hillside on the west shore of Seneca Lake, in the famous Finger Lakes region of upstate New York, right on the Seneca Lake Wine Trail. Our small country inn is a perfect spot for a romantic getaway, a respite with friends, or lodging for an extended stay.

Complementing the beautiful, contemporary architecture of our Seneca Lake bed and breakfast is an elegantly understated interior, blending many locally handcrafted furnishings with family heirlooms.

Large windows welcome the sunlight and frame your view of the lake, gardens, and surrounding woods. Relax or socialize in our comfortable great room or outdoors on the deck or patio, all overlooking the water. On cool evenings, gather around the fireplace and savor a view of the lake at dusk.

A large window wall offers a magnificent view of the sunrise, lake, and surrounding woods. The sofa in the living area opens to a full-size bed and other furniture complete the room. The bedroom opens onto the patio and is accented with white wicker and a white iron queen-size bed. The private bath with tub/shower is within the suite and is convenient to both the living area and to the bedroom.
